2020 Community Needs and Fair Housing Survey Now Open

Responses will help determine Jersey City's funding priorities for the next five years. Please share the survey with other residents and partners.

What are the issues affecting **your** neighborhood? What is **your** vision for the future of Jersey City?

The Division of Community Development is deciding its priorities for funding and the barriers to fair housing that need to be addressed over the next five years, and we want **YOUR** input.

Please fill out our Community Needs and Fair Housing Survey at bit.ly/jc2020survey to tell us your thoughts on issues like affordable housing, public infrastructure, neighborhood needs, and more!

The survey will take less than 10 minutes to complete. Your responses will be valuable in helping us prepare our 2020–2024 Consolidated Plan (C-Plan) and Fair Housing Report, containing goals for Community Development Block Grant, HOME Investment Partnerships Program, Housing Opportunities for Persons With AIDS, and Emergency Solutions Grants funding. All answers will be kept anonymous.

In the coming months, Community Development will be conducting community meetings and focus groups to further discuss the C-Plan and Fair Housing Report. Stay tuned for more!

To request paper copies of the survey, other languages, or more information, please contact the Jersey City Division of Community Development. You can email us at jccplan@icnj.org, visit our website at cityofjerseycity.com/communitydevelopment, call (201) 547-6910, or stop by our office at **30 Montgomery Street, Suite 404, Jersey City, NJ 07302**.
